

FACT SHEET: School Closure

ITT Technical Institute Locations in New York

Information for Students

On Sept. 6, 2016, officials representing ITT Technical Institutes (falling under the ownership of ITT Educational Services, Inc.) alerted the U.S. Department of Education that ITT will cease operations and no longer offer instruction at all of their locations, including three in New York.

This fact sheet will provide you with important information regarding your options now that your school has closed, including:

obtaining your academic transcripts;

determining if you qualify for a discharge of your student loan(s);

knowing the steps in the loan discharge process; and contacting your loan servicer.

We encourage you to avoid paying for services that Federal Student Aid offers for free.

We are here to help. If you have additional questions, contact the:

What Are Your Options Now?

Obtaining Your Academic Transcripts

ITT should have provided you an official academic transcript. If you did not receive a transcript, visit www.itt-tech.edu or your state agency's web page listed on page one to get the most updated information on how to obtain one. If you transfer to another school to continue your education, you may be asked to provide a copy of these records to your new school. The records also may be useful in substantiating your claim for a closed school loan discharge.

Do You Qualify For A Closed School Loan Discharge?

There are certain criteria that make you eligible for a closed school loan discharge, and there are certain steps you need to take to apply for a student loan discharge.

Student loan borrowers (and parents who borrowed PLUS loans on behalf of students) may be eligible for a 100 percent discharge of your federal student loans borrowed to attend the closed school under either of these circumstances:

- ITT closed while you were enrolled, and you did not complete your program because of the closure. If you were on an approved leave of absence from ITT for purposes of the Title IV, HEA programs, you are considered to have been enrolled at the school, or
- ITT closed within 120 days after the date you withdrew from all classes.

You are not eligible for discharge of your loans if your school closed and any of the following is true:

- You withdrew from all classes before May 6, 2016, which is more than 120 days before ITT ceased instruction.
- You completed all of your coursework for your program prior ITT's closing, even though you have not received a diploma or certificate.
- You are completing a comparable educational program at another school
 - by transferring academic hours earned at the closed school to another school, or
 - by any other comparable means.

ITT students retain the option of refusing the future use of their credits towards completion of a comparable program and applying for a closed school loan discharge.

The Loan Discharge Process

You must contact your loan servicer about the application process for a loan discharge.

- Be sure to continue to make payments on your loan while your discharge application is being processed.
 - If you do not meet the criteria for a loan discharge, you will be informed by your loan servicer and will need to continue making payments on your loans based on the terms of your promissory note.
