SCHOOL ELIGIBILITY AND OVERSIGHT SERVICE GROUP

FOREIGN SCHOOL

PROGRAM PARTICIPATION AGREEMENT

[PROVISIONAL APPROVAL]

Effective Date of Approval: The date on which this Agreement is signed on behalf of the Secretary of Education

Approval Expiration Date: June 30, 2027

Reapplication Date: March 31, 2027

Name of Institution: American Graduate School in Paris

Address of Institution: 4 rue de Chevreuse, Paris, 75006, France

OPE ID Number: 03816400

The execution of this Agreement by the Institution and the Secretary is a prerequisite to the Institution's initial or continued participation in any Title IV, HEA Program.

The postsecondary educational institution listed above, referred to hereafter as the "Institution," and the United States Secretary of Education, referred to hereafter as the "Secretary," agree that the Institution may participate in those student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Programs) indicated under this Agreement and further agrees that such participation is subject to the Institution's compliance with the terms and conditions set forth in this Agreement. As used in this Agreement, the term "Department" refers to the U.S. Department of Education.

SCOPE OF COVERAGE

This Agreement applies to all locations of the Institution as stated on the most current ELIGIBILITY AND CERTIFICATION APPROVAL REPORT issued by the Department. This Agreement covers the Institution's eligibility to participate in each of the following listed Title IV, HEA programs, and incorporates by reference the regulations cited.

- **FEDERAL DIRECT STUDENT LOAN PROGRAM**, 20 U.S.C. §§ 1087a *et seq.*; 34 C.F.R. Part 685.

Additional Considerations

Mature Student

It is important to note that Institution's PPA does not extend to U.S. students who are enrolled at the Institution under the mature student provision. In order for U.S. students to be eligible to receive federal financial assistance, they must possess a secondary school completion credential or its equivalent. (See 34 CFR 600.54) Students enrolled under the mature student provision do not satisfy this requirement. Therefore, the Institution does not have the authority to obligate funds under the William D. Ford Federal Direct Loan (DL) Program for current or new U.S. students enrolled under the mature student provision.

Written Arrangements

An eligible foreign institution may enter into a written arrangement with an eligible educational institution in the United States to provide no more than 25 percent of a student's program, or with an ineligible institution located outside the United States, to provide no more than 25 percent of a student's program. An eligible foreign Institution may not enter into a written agreement with an ineligible institution located in the United States, or with an entity outside of the United States that does not meet the definition of a foreign institution, to provide any part of an educational program for students receiving Title IV, HEA federal student financial assistance programs.

Internships/Externships

As provided in the definition of Foreign institution in 34 C.F.R. § 600.52(1)(ii)(C)), internships and externships may be provided by an ineligible organization located in the United States as described in 34 C.F.R. § 668.5(h)(2). The internships or externships that are a part of a student's educational program must meet the requirements of 34 C.F.R. § 668.5 unless they are governed by explicit standards of an outside entity that provides oversight of the institution, such as an accrediting agency or government entity, that require the oversight and supervision of the institution, where the institution is responsible for the externship and students are monitored by qualified institutional personnel. An educational program will not be considered an eligible program if the program includes an internship or externship component that is not governed by such standards of an outside entity or does not meet the requirements of 34 CFR 668.5, and William D. Ford Federal Direct Loan funds cannot be used to cover any portion of the cost of students' enrollment in the educational program.

Study Abroad in U.S. Exclusion

The Institution may not make available William D. Ford Federal Direct Loan (Direct Loan) Program funds to U.S. students who receive any portion of an educational program, or an entity inside the United States on behalf of such students, that may constitute more than 25 percent of a student's program. The Institution may certify or disburse Direct Loan program funds under a "study abroad" or "student exchange" agreement for U.S. students to attend eligible educational institutions or students' participation in an internship or externship provided by an ineligible organization located in the United States. The Department does not permit stacking of the allowance for a student to complete up to 25 percent of their program at an eligible institution in the United States under § 600.52 with the one academic year of independent research permitted in the United States for research conducted during the dissertation phase of a doctoral program (where the research can only be performed at a facility in the United States). In addition, an exception is permitted for independent research done by an individual student in the United States for not more than one academic year, if it is conducted during the dissertation phase of a doctoral program under the guidance of faculty, and the research can only be performed in a facility in the United States as provided in 34 C.F.R. § 600.51.

Non-degree Program Ineligibility

It is important to note that the Institution's Program Participation Agreement (PPA) extends approval only to the Institution's degree programs. Since the Institution did not include its certificate and diploma programs in its current application, these programs are not eligible. Therefore, the Institution does not have the authority to obligate funds under the William D. Ford Federal Direct Loan (Direct Loan) program for current or new U.S. students enrolled in such programs.

Eligible programs

The Institution's Program Participation Agreement (PPA) extends approval only to the academic programs listed in the Institution's Eligibility and Certification Approval Report (ECAR). Academic programs that are not identified as approved for certification on the ECAR are not eligible programs. Therefore, the Institution does not have the authority to obligate funds under the William D. Ford Federal Direct Loan (Direct Loan) program for current or new U.S. students enrolled in degree programs not identified as approved for certification on the ECAR.

PPA Addendum

This PPA includes an Addendum on which owners of the institution have agreed to be jointly and severally liable for the performance by the institution of its obligations under this agreement.

PROVISIONAL CERTIFICATION

This provisional certification is granted for a limited period to permit the Institution to participate in the Title IV, HEA programs referenced in this Agreement. During the period of provisional certification, the participation of the Institution will be subject to revocation for cause. Cause for revocation may include, but is not limited to, a failure to comply with any provision set forth in this Agreement, a violation of Department regulations deemed material by the Department, or a material misrepresentation in the material submitted to the Department as part of the Institution's application process for this certification. . In the event the Department chooses to revoke this Agreement and the Institution's participation in the Title IV, HEA programs, the Institution will have the right to show cause why this Agreement should not be revoked by presenting its objections in writing to the designated Department reconsideration official. The Institution agrees that this opportunity to show cause by a request for reconsideration of the Department's revocation decision, and not the procedures in 34 C.F.R. Part 668, Subpart G, shall be the sole administrative appeal regarding such revocation. The decision by the designated Department reconsideration official will constitute the final agency action.

Special Requirements for Substantial Changes Made During Term of Provisional Certification

Any institution provisionally certified must apply for and receive approval by the Secretary for expansion or of any substantial change (as hereinafter identified) before it may award, disburse or distribute Title IV, HEA funds based on the substantial change. Substantial changes generally include, but are not limited to: (a) establishment of an additional location; (b) increase in the level of academic offering beyond those listed in the Institution's Eligibility and Certification Approval Report (ECAR); or (c) addition of any educational program (including degree, nondegree, or short-term training programs).

If the Institution applies for the Secretary's approval of a substantial change, the Institution must demonstrate that it has the financial and administrative resources necessary to assure the Institution's continued compliance with the standards of financial responsibility (34 C.F.R. § 668.15 and 34 C.F.R. Part 668, Subpart L) and administrative capability (34 C.F.R. § 668.16).

Reasons and Special Conditions of Provisional Certification

Requirement of Funding Arrangement Other Than Advance and Financial Protection Not Less Than 10% of Title IV Due To Citing For Late Audit Submission

The institution has failed the financial responsibility requirements due to its failure to submit in a timely fashion acceptable compliance and financial statement audits. Pursuant to 34 C.F.R. §§ 668.171(b)(4) and 668.174(a)(3), an institution is not financially responsible if it has been cited during the preceding five years for failure to timely submit an acceptable annual compliance and/or financial statement audit. This means that the institution will not be considered financially responsible under the Department's regulations for five years, or longer if the institution provides untimely submissions in subsequent years. Therefore, pursuant to 34 CFR §668.175(f), and as a condition of entering into the Program Participation Agreement under the Provisional Certification Alternative, the institution agrees to (a) participate in the Title IV, HEA programs under the Department's Heightened Cash Monitoring payment method per 34 CFR 668.162(d), (b) comply with the provisions of the Zone Alternative, and (c) provide financial protection, for a five year period, by providing an irrevocable Letter of Credit (LOC), using the format provided by the Secretary, providing cash, or entering into an agreement with the Secretary under which earned funds are offset, in an amount equal to not less than 10% of the Title IV, HEA program funds received by the institution during the last complete fiscal year for which award amounts are available. If an LOC is provided, the institution will renew the LOC each year, if not initially submitted for a period of five years, not less than 10 days prior to its expiration date, and will increase or decrease the amount as directed by the Secretary during the five year period.

Application for Recertification

Upon completion of the period of provisional certification, if the Institution wishes to apply for recertification to participate in the Title IV, HEA programs, the Institution must submit a completed Application for Approval to Participate in Federal Student Financial Aid Programs, together with all required supporting documentation, no later than March 31, 2027.

Grant or Denial of Full Certification

Notwithstanding any paragraph above, the provisional certification ends upon the Department's notification to the Institution of the Department's decision to grant or deny a six year certification to participate in the Title IV, HEA programs.

GENERAL TERMS AND CONDITIONS

(1) The Institution understands and agrees that it is subject to and will comply with, as they become effective, the program statutes and implementing regulations for institutional eligibility as set forth in 34 C.F.R. Part 600 and Part 685 for the Direct Loan Program as well as the general provisions set forth in Part F and Part G of Title IV of the HEA, and the Student Assistance General Provisions set forth in 34 C.F.R. Part 668.

The recitation of any portion of the statute or regulations in this Agreement does not limit the Institution's obligation to comply with other applicable statutes and regulations.

(2) The Institution acknowledges and agrees that 34 C.F.R. Part 600 requires that it be legally authorized by the country's education ministry, council or equivalent agency to offer an eligible educational program above the secondary level; that it award degrees, certificates, or other recognized credentials that are officially recognized by the country in which the institution is located; and that the authorizing agency and the Secretary may share or report information to one another about the Institution without limitation.

(3) The Institution acknowledges and agrees that 34 C.F.R. Part 600 requires that if the Institution is or has, as a component program, a medical school, the medical school must be accredited by an accrediting authority determined by the National Committee on Foreign Medical Education Accreditation to use accrediting standards comparable to those used in the United States in accrediting medical schools in the country in which Institution is located, and that the accrediting agency, authorizing agency, and the Secretary may share or report information to one another about the Institution without limitation.

(4) The Institution acknowledges and agrees that courses or programs it offers in whole or in part by telecommunications or correspondence (including by distance education), or by direct assessment, are not eligible educational programs and the institution may not award or disburse Title IV, HEA program funds to students in such courses or programs. 20 U.S.C. § 1088(b) (3); 34 C.F.R. § 600.51(d). Eligible programs and courses may use telecommunications technologies only to supplement and support instruction that is offered in a classroom located in the country where the students and instructor are physically present.

(5) The Institution acknowledges and agrees that, to the extent applicable, it is subject to and will comply with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d *et seq.*, which prohibits discrimination against persons in the United States on the basis of race, color or national origin in any program or activity receiving Federal financial assistance; Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. § 1681 *et seq.*, which prohibits discrimination against persons in the United States on the basis of sex in any education program or activity receiving Federal financial assistance; Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination against persons in the United States on the basis of disability in any program or activity receiving Federal financial assistance; and the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6101 *et seq.*, which prohibits discrimination against persons in the United States on the basis of age in any program or activity receiving Federal financial assistance. The Institution further acknowledges and agrees to comply with all applicable regulations adopted under the above statutes by the Department. 34 C.F.R. Part 100 (Title VI); 34 C.F.R. Part 106 (Title IX); 34 C.F.R. Part 104 (Section 504); and 34 C.F.R. Part 110 (Age Discrimination). The above laws and regulations protect all individuals who would be protected by these civil rights laws at U.S. public and private institutions of higher education (including but not limited to the Institution's students, faculty members, instructors, employees, and staff) whether or not those persons are citizens, nationals, or lawful permanent residents of the United States, while they are physically present in the United States and its territories.

(6) The Institution acknowledges that the Department is obligated to take appropriate measures in order to safeguard its systems and information as well as borrowers' personally identifiable information (PII) as required under Federal law, including but not limited to the requirements in the Privacy Act (*see* 5 U.S.C. § 552a(e)), E-Government Act of 2002 (*see* 44 U.S.C. § 3544), the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S.C. § 1232g; 34 C.F.R. Part 99), Federal Information Security Modernization Act (FISMA) of 2014 (44 U.S.C. § 3551, *et seq.*), and OMB Circular No. A-130. If the Institution has a cyber security incident that may negatively affect the Department's systems, the Department may terminate the Institution's access to the Department's systems. Access will be reconnected when the Department determines that the Institution has resolved any cyber security concerns and vulnerabilities to the Department's satisfaction.

(7) The Institution acknowledges that any person who knowingly and willfully commits, or attempts to commit, any criminal action described in 20 U.S.C. § 1097, shall be subject to the penalties described therein.

(i) demonstrate a reasonable relationship between the length of the program and entry level requirements for the recognized occupation for which the program prepares the student. The Secretary considers the relationship to be reasonable if the number of clock hours provided in the program does not exceed the minimum number of clock hours required for training in the recognized occupation for which the program prepares the student, as established by a relevant government agency; and

(ii) establish the need for the training for the student to obtain employment in the recognized occupation for which the program prepares the student.

(19) The Institution –

(i) will develop, publish, administer, and enforce a code of conduct with respect to loans made under the Title IV, HEA loan programs in accordance with 34 C.F.R. § 601.21; and

(20) For any year in which the Institution has a preferred lender arrangement, (as defined in 34 C.F.R. § 601.2(b)), it will at least annually compile, maintain, and make available for students attending the Institution who are U.S. citizens, U.S. Nationals, or U.S. residents who are residing in the countries outside the United States, and the families of such students, a list in print or other medium, of the specific lenders of private education loans that the Institution recommends, promotes, or endorses in accordance with such preferred lender arrangement. In making such a list, the Institution must comply with the requirements in 34 C.F.R. § 601.10;

(21) (i) The Institution will, upon the request of an enrolled or admitted student who is a U.S. citizen, U.S. National, or U.S. resident who is residing in a country outside the United States and is an applicant for a private education loan (as defined in 34 C.F.R. § 601.2(b)), provide to the applicant the self-certification form required under 34 C.F.R. § 601.11(d) and the information required to complete the form, to the extent the Institution possesses such information, including--

(C) The difference between the amounts under (A) and (B), as applicable;

(ii) The Institution will, upon the request of the applicant, discuss with the applicant the availability of Federal and institutional student financial aid;

(22) For each student who enrolls in a program on or after July 1, 2024, and attests that they intend to seek employment, the institution must determine that the program eligible for title IV, HEA program funds satisfies the applicable educational requirements for professional licensure or certification requirements so that a student who enrolls in the program, and seeks employment after completing the program, qualifies to take any licensure or certification exam that is needed for the student to practice or find employment in an occupation that the program prepares students to enter.

(23) The Institution will not withhold official transcripts or take any other negative action against a student related to a balance owed by the student that resulted from an error in the institution's administration of the title IV, HEA programs, or any fraud or misconduct by the institution or its personnel;

(24) Upon request by a student, the institution will provide an official transcript that includes all the credit or clock hours for payment periods—

(i) In which the student received title IV, HEA funds; and

(ii) For which all institutional charges were paid or included in an agreement to pay at the time the request is made.

(25) The Institution will not maintain policies and procedures to encourage, or that condition institutional aid or other student benefits in a manner that induces, a student to limit the amount of U.S. Federal student aid, including U.S. Federal loan funds, that the student receives, except that the institution may provide a

scholarship on the condition that a student forego borrowing if the amount of the scholarship provided is equal to or greater than the amount of Federal loan funds that the student agrees not to borrow.

(26) If Institution is for-profit (i.e., a for-profit foreign medical, veterinary, or nursing school), the institution will derive at least 10 percent of its revenues for each fiscal year from sources other than Federal funds, as provided in § 668.28(a), or be subject to sanctions described in § 668.28(c);

(A) The Secretary revokes a provisional certification through the proceedings in 34 C.F.R. § 668.13(d).

(B) An Institution may terminate this Agreement

(30) An Institution's program participation agreement automatically expires on the date that-- (i) The Institution changes ownership that results in a change in control as determined by the Secretary under 34 C.F.R. Part 600, or (ii) The Institution's participation ends under the provisions of 34 C.F.R. § 668.26.

(31) The Institution's Program Participation Agreement no longer applies to or covers a location of the Institution as of the date on which that location ceases to be a part of the participating Institution.

WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

(1) The Institution and its representatives shall comply with, as they become effective, the statute, guidelines, and regulations governing the Title IV, Part D, William D. Ford Federal Direct Loan Program as required by 20 U.S.C. §§ 1087a *et seq.* (Part C) and 34 C.F.R. Part 685.

(2) The Institution's participation does not include authorization under 34 C.F.R. § 685.102(b)(*Master Promissory Note*)(4) for multi-year use of the Master Promissory Note. Master Promissory Notes will be made available to students enrolling at Institution by the Department of Education electronically, or, upon the request of the student, in paper.

(3) The Institution understands that, as required by Section 452 of the Higher Education Act of 1965, as amended effective July 1, 2010 by Title II, Subtitle A of the Health Care and Education Reconciliation Act of 2010, Public Law 111-152, enacted on March 30, 2010, the Secretary of the U.S. Department of Education has appointed the U.S. Federal Reserve Banks as the financial institutions located or operating in the United States that will serve as the agents for it with respect to the receipt of disbursements of Direct Loan Program funds and the transfer of such funds to Institution, and that to receive Direct Loan Program funds, the Institution must make the necessary arrangements with the appropriate U.S. Federal Reserve Bank, including having or establishing its own bank account into which Direct Loan Program funds from the U.S. Federal Reserve Bank can be deposited.

(4) The Institution agrees that, during the time it participates in the Direct Loan Program under this Agreement, it will provide for the establishment and maintenance of a Direct Loan Program at the Institution under which the Institution will:

(i) Identify eligible students who seek student financial assistance in accordance with Section 484 of the Higher Education Act of 1965, as amended (the HEA);

(ii) Estimate the need of each of these students as required under Title IV, Part F of the HEA for the academic year. For purposes of estimating need, a Direct Unsubsidized Loan, a Direct PLUS Loan, or any loan obtained under any State-sponsored or private loan program may be used to offset the expected family contribution of the student for that year;

- (iii) Determine that the amount of the loan for any student under Part D of the HEA is in an amount that does not exceed the annual limit applicable for that loan program and that the amount of the loan, in combination with previous loans received by the borrower, is not in excess of the aggregate limit for that loan program;
- (iv) Set forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of Section 428G of the HEA;
- (v) Reconcile institutional records with receipt and disbursement records on at least a monthly basis.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "disqualified," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. 6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Disqualification, and Voluntary Exclusion--Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, disqualified, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, disqualified, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
