**The execution of this Agreement by the Institution and the Secretary is a prerequisite to the Institution's initial or continued participation in any Title IV, HEA Program.**

The postsecondary educational institution listed above, referred to hereafter as the "Institution," and the United States Secretary of Education, referred to hereafter as the "Secretary," agree that the Institution may participate in those student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Programs) indicated under this Agreement and further agrees that such participation is subject to the Institution's compliance with the terms and conditions set forth in this Agreement. As used in this Agreement, the term "Department" refers to the U.S. Department of Education.

**TEMPORARY PROVISIONAL PROGRAM PARTICIPATION AGREEMENT**

**ISSUED UPON A CHANGE IN OWNERSHIP AND THE  
SUBMISSION OF A MATERIALLY COMPLETE APPLICATION**

This Agreement is issued as a result of the Institution (a) having undergone a change in ownership resulting in a change of control, and (b) having submitted, within the statutorily mandated time period, a materially

complete application to the Department for approval of the change in ownership. The purpose for which the Department has issued this Agreement is to provide to students of the Institution continued access to Federal student financial aid for a limited period while the Institution obtains and submits supporting documentation that was not available at the time of the change in ownership.

This temporary reinstatement is subject to the terms and conditions set forth in this Agreement and any Addendum hereto, and to the terms and conditions that were contained in the Program Participation Agreement that governed the Institution's participation in the Title IV, HEA programs prior to the change in ownership, except to the extent that those terms and conditions are inconsistent with the terms and conditions of this Agreement or any Addendum thereto.

Prior to the expiration date of this Agreement on December 31, 2024 the Institution must submit to the Department the following supporting documentation:

- (a) A same-day balance sheet, prepared in accordance with *Generally Accepted Accounting Principles* and audited in accordance with *Generally Accepted Government Auditing Standards* which show the financial condition of the Institution immediately after the change in ownership.
- (b) A copy of the approval of the change in ownership from the Institution's accrediting agency (if the document has not already been submitted to the Department); and
- (c) A copy of the approval of the change in ownership from the State agency that authorizes the Institution to legally provide postsecondary education in that State (if the document has not already been submitted to the Department).

If the Institution provides the necessary documentation prior to the expiration of this Agreement, then the Secretary will extend the expiration date of this agreement on a month-to-month basis until a determination regarding the change in ownership is made on the application for approval of the change in ownership.

If the Institution demonstrates that it meets the statutory and regulatory requirements for reinstatement to participation in the Title IV, HEA programs, then the Secretary will enter into a new Provisional Program Participation Agreement with the Institution.

If the Institution does not provide the required documentation prior to the expiration date of this Agreement, this Agreement will expire on the stated expiration date without further action or notice, and an order to Stop Payment of Federal Funds will be issued.

## **SCOPE OF COVERAGE**

This Agreement applies to all locations of the Institution as stated on the most current ELIGIBILITY AND CERTIFICATION APPROVAL REPORT issued by the Department. This Agreement covers the Institution's eligibility to participate in each of the following listed Title IV, HEA programs, and incorporates by reference the regulations cited.

### ***Additional Considerations***

#### **TPPPA Addendum**

This PPA includes an Addendum on which owners of the institution have agreed to be jointly and severally liable for the performance by the institution of its obligations under this agreement.

## PROVISIONAL CERTIFICATION

This provisional certification is granted for a limited period to permit the Institution to participate in the Title IV, HEA programs referenced in this Agreement. During the period of provisional certification, the participation of the Institution will be subject to revocation for cause. Cause for revocation includes, without limitation, a failure to comply with any provision set forth in this Agreement, a violation of Department regulations deemed material by the Department, or a material misrepresentation in the material submitted to the Department as part of the Institution's application process for this certification. In the event the Department chooses to revoke this Agreement and the Institution's participation in the Title IV, HEA programs, the Institution will have the right to show cause why this Agreement should not be revoked by presenting its objections in writing to the designated Department reconsideration official. The Institution agrees that this opportunity to show cause by a request for reconsideration of the Department's revocation decision, and not the procedures in 34 C.F.R. Part 668, Subpart G, shall be the sole administrative appeal regarding such revocation. The decision by the designated Department reconsideration official will constitute the final agency action.

### **Special Requirements for Substantial Changes Made During Term of Provisional Certification**

Any institution provisionally certified must apply for and receive approval by the Secretary for expansion or of any substantial change (as hereinafter identified) before it may award, disburse or distribute Title IV, HEA funds based on the substantial change. Substantial changes generally include, but are not limited to: (a) establishment of an additional location; (b) increase in the level of academic offering beyond those listed in the Institution's Eligibility and Certification Approval Report (ECAR); or (c) addition of any educational program (including degree, nondegree, or short-term training programs).

If the Institution applies for the Secretary's approval of a substantial change, the Institution must demonstrate that it has the financial and administrative resources necessary to assure the Institution's continued compliance with the standards of financial responsibility (34 C.F.R. § 668.15 and 34 C.F.R. **ADDENDUM A – PROVISIONAL CONDITIONS**  
**TEMPORARY PROVISIONAL PROGRAM PARTICIPATION AGREEMENT**  
**RESTORATION OF PARTICIPATION**  
**The Washington Hospital – OPEID 00658200**

*Whereas*, on June 1, 2024, the school of nursing of The Washington Hospital located in Washington, Pennsylvania (“W-SON”) underwent a change of ownership resulting in a change of control (“CIO”). On May 30, 2024 (prior to the CIO), Washington Hospital (“TWH”) (W-SON’s Level 1 owner) and Washington Health Care Services, Inc. (“WHCSI”) (W-SON’s Level 2 owner), merged, with TWH as the surviving corporation. On June 1, 2024, the University of Pittsburgh Medical Center d/b/a Pittsburgh Medical Center, a Pennsylvania nonprofit corporation (“UPMC”) became the sole member of TWH pursuant to an Integration and Affiliation Agreement (“Integration Agreement”). In conjunction with the CIO, TWH was re-named “UPMC Washington.”

*Whereas*, the Department determined that following the CIO, W-SON complied with the requirements under 34 C.F.R. § 600.20(g)(3) for a materially complete application;

*Whereas*, on July 26, 2024, the Department issued a Temporary Provisional Program Participation Agreement (“TPPPA”) to W-SON which permitted to continue participating in the Title IV, HEA programs, subject to W-SON’s timely compliance with the requirements of 34 C.F.R. § 600.20(h) for continuing participation;

*Whereas*, the TPPPA expired on July 31, 2024;

*Whereas*, the required documents under 34 C.F.R. § 600.20(h)(3) for continuation of the TPPPA on a month-to-month basis beyond July 31, 2024 include a same day balance sheet (“SDBS”) showing the financial position of W-SON as of the transaction date;

*Whereas*, in accordance with 34 C.F.R. § 600.20(h)(2)(i), the SDBS was due on or before July 31, 2024. However, W-SON submitted two documents, neither of which met the requirements of 34 C.F.R. § 600.20(h)(3)(i) for an audited SDBS. W-SON submitted an unaudited balance sheet of TWS as of March 31, 2024, and UPMC’s “Unaudited Financial and Operating Report” for the period ended March 31, 2024.” Accordingly, W-SON failed to submit the SDBS by the deadline;

*Whereas*, on August 8, 2024, the Department issued a loss of eligibility letter (“LOE Letter”) to W-SON for failure to submit its SDBS. The LOE Letter also explained the requirements for W-SON to seek to have its participation in Title IV, HEA programs restored;

*Whereas*, subsequent to the LOE Letter, the Department agreed to accept the SDBS at the level of UPMC-Washington, so long as W-SON posted financial protection in the amount of \$163,482;

*Whereas*, on October 31, 2024, W-SON submitted the SDBS and the required financial protection in the form of a cash escrow;

Addendum A: Washington Hospital (The) 00658200

This Addendum is part of the TEMPORARY PROVISIONAL PROGRAM PARTICIPATION AGREEMENT

Page 2 of 7

*Whereas*, to restore Title IV participation, the LOE Letter also required W-SON to meet the requirements of 34 C.F.R. Part 668, Subpart B, by submitting audited financial statements that comply with 668.23(d). Specifically, W-SON was required to submit audited financial statements for its two most recently completed fiscal years (June 30, 2023 and June 30, 2022) via the Reinstatement Link in eZ-Audit;

*Whereas*, W-SON submitted the required audited financial statements to the Department's eZ-Audit system on October 31, 2024;

*Whereas*, W-SON's audited financial statements are currently in the eZ-Audit system screener's queue;

*Whereas*, the LOE Letter also explained that W-SON would not be allowed to draw down Title IV, HEA program funds until the required audited financial statements (including the SDBS) were accepted by the Department's eZ-Audit system (with "accepted" meaning that they had been processed through the eZ-Audit screeners' queue and that the basic annual submission requirements were met);

Therefore, in consideration of the foregoing, and upon the Department's countersignature on this TPPPA Addendum, W-SON will be restored to participate in Title IV programs, although it may not draw funds until acceptance of all financial statements in eZ-Audit, subject to the following terms and conditions:

#### **A. Provisional Certification due to CIO**

When an institution undergoes a CIO, it participates under provisional certification. 34 C.F.R. § 668.13(c)(1)(i)(B). Any institution provisionally certified must apply for and receive approval by the Department for expansion or for a substantial change before it may award, disburse, or distribute Title IV, HEA funds based on the substantial change. Substantial changes generally include but are not limited to: (a) establishment of an additional location; (b) increase in the level of academic offering beyond what is listed in the institution's Eligibility and Certification Approval Report ("ECAR"); or (c) addition of any educational program (including degree, nondegree, or short-term training programs). Additional information on this condition is set forth below (*see* Growth Restrictions). Other conditions will also apply, which are described below.

#### **B. Future Audited Financial Statements and School Group**

Future audited financial statements should be submitted at the level of UPMC.

Future audited financial statements should be submitted at the level of UPMC under the locator school of the school group, UPMC St. Margaret School of Nursing 00655100.

Addendum A: Washington Hospital (The) 00658200

This Addendum is part of the TEMPORARY PROVISIONAL PROGRAM PARTICIPATION AGREEMENT

Page 3 of 7

### **C. Growth Restrictions**

During the period in which W-SON participates under provisional certification as a result of the CIO and for any longer period in which W-SON is subject to a financial protection condition (i.e., a letter of credit, cash escrow or offset), W-SON must apply for and receive approval from the Department before it may award, disburse, or distribute Title IV, HEA funds, for any of the changes noted below:

1. add new programs that are not already approved by the Department and included in W-SON's ECAR as of the date of the CIO;
2. add new locations that are not already approved by the Department and included in W-SON's ECAR as of the date of the CIO;
3. increase the credential level of its offerings; or
4. change the length of any programs (either to shorten<sup>1</sup> or lengthen them).

Following the Department's acceptance, review, and approval of W-SON's financial statements and compliance audits that cover one complete fiscal year of W-SON's uninterrupted Title IV participation under UPMC's ownership, W-SON may seek the Department's approval for new programs that are initiated only as replacements for currently-established programs for which W-SON ceases new student enrollments and commences a programmatic teach-out ("Program Replacements"). Following the Department's acceptance, review, and approval of W-SON's financial statements and compliance audits that cover the second complete fiscal year of W-SON's uninterrupted Title IV participation under UPMC's ownership, and for the remainder of the period W-SON participates under a PPPA or during any period where financial protection is required (whichever period is longer), W-SON may seek the Department's approval for new programs that are not Program Replacements, and may also seek the Department's approval to add new locations, increase the credential levels of its offerings, and change the length of programs.

So long as the institution's SDBS has a passing acid test ratio and a positive net worth, the Department may determine, on a case-by-case basis, that an institution can be relieved of the Growth Restriction by posting financial protection. That financial protection is separate from the New Owner Cash Escrow, or financial protection required for any other reason.

### **D. Financial Responsibility Condition**

The Department has previously determined that W-SON is not financially responsible under the standards set forth in 34 C.F.R. § 668.174(a)(3) and as result, W-SON currently participates under the financial responsibility alternative standard described in 34 C.F.R. §

---

<sup>1</sup> This restriction shall not apply to a program that is shortened to comply with 34 C.F.R. § 668.14(b)(26) (effective July 1, 2024).

668.175(f)(provisional certification/at least 10% financial protection requirement). Until such time that the Department notifies the institution otherwise, W-SON will continue to participate under the terms set forth in the Department's letter(s) dated November 1, 2023.

### **E. Bi-weekly and Monthly Financial Reporting**

W-SON must submit the following reports on a monthly or bi-weekly basis as described below:

1. Bi-weekly cash balance submission that outlines UPMC's available cash on hand. Please provide details of what is included in the cash balance.
2. Monthly report with the following information contained in a single report (Items 2.a., 2.b., 2.c., and 2.d. should be submitted at the level of UPMC):
  - a. Actual and projected cash flow statement that breaks-out each anticipated inflow and outflow by line item and amount as indicated on the sample cash flow statement, with business and financial disclosure notes (sample included);
  - b. Any important financial transaction that has a material effect on UPMC's financial condition;
  - c. Explanation of variances as indicated on the enclosed "Cash Receipt & Disbursements Instructions."
  - d. Any planned mergers, acquisitions, business expansions/contractions, and/or corporate restructuring;
  - e. Following the Department's release of W-SON from any limitation on adding new locations (either as a result of the institution moving from provisionally-certified status to fully-certified status or otherwise) any announced or upcoming location expansions;
  - f. Any announced or upcoming location closures;
  - g. Following the Department's release of W-SON from any limitation on adding new programs (either as a result of the institution moving from provisionally-certified status to fully-certified status or otherwise) any new programs that W-SON plans to offer at one or more locations that participate in the federal student aid programs; and
  - h. Any decision to cease enrollment in any program(s) and provide the teach out plan/teach out agreement and the schedule for teach out of the program(s).

Item 1 is due to the Department on alternating Mondays beginning on the second Monday following signature of this TPPA, and the monthly submissions (Item 2 above) are due to the Department by the 20th of each month, beginning the first full month following signature of this TPPA. W-SON will be subject to the reporting requirements for the period it participates under provisional certification, either as a result of the CIO or otherwise, unless the Department releases W-SON from these reporting requirements as described above.

## **F. Nonprofit Reporting**

1. W-SON must notify the Department within 10 business days if W-SON and/or UPMC, enters into an agreement with any person or entity related to WHS, or with any person or entity related to the operation or management of W-SON and/or UPMC. By way of example only if an institution enters into a lease agreement with a landlord that is owned, affiliated, or controlled by the institution's president or its former owner, it should be reported.
2. W-SON must notify the Department of the receipt of any notices or other correspondence with the IRS relating to W-SON and UPMC's tax-exempt status.
3. W-SON must notify the Department of the receipt of any notices or other correspondence from any state in which it operates relating to the tax exempt or nonprofit status of (W-SON and UPMC) or any entity in its ownership structure.

W-SON must report as follows:

Item 1 - for the period W-SON participates under a provisional certification, either as a result of the CIO or otherwise. Any notifications under Item 1 must be submitted to the Department within 10 business days of entering into any such agreement.

Items 2 and 3 - for the period W-SON participates under a provisional certification, either as a result of the CIO or otherwise. Any notifications under Items 2 and 3 must be submitted to the Department within 10 business days of receipt of such notice.

Following the period of provisional certification, W-SON must provide any notices described in Items 2 and 3 no later than when it submits its application for re-certification.

Please submit these notifications to Philadelphia.SPD@ed.gov (cc: CIOdocuments@ed.gov).

## **G. Reservation for Additional Conditions**

The Department reserves the right to include additional conditions by an amendment or addendum to the TPPPA if the Department determines that additional conditions are reasonably necessary to ameliorate administrative or financial risk. In addition, if a PPPA is issued to the Institution, that agreement may contain new or modified conditions from those contained in the TPPPA.

## H. Method of Payment

1. As a result of the loss of eligibility and restoration of eligibility, W-SON will be required to participate under the Heightened Cash Monitoring payment method set forth in 34 C.F.R. § 668.162(d)(1) (“HCM1”). However, as set forth in the LOE Letter, W-SON may not make disbursements until its audited financial statements are accepted in the eZ-Audit system.
2. Under HCM1, W-SON must first make disbursements to eligible students and parents and pay any remaining credit balances before it requests or receives funds for the amount of those disbursements from the Department. The funding request may not exceed the amount of the actual disbursements that were made to the students and parents included in the funding request. Providing the student accounts are credited before the funding requests are initiated, W-SON is permitted to draw down funds through the Department’s electronic system for grants management and payments, G6, for the amount of disbursements it made to eligible students and parents. All credit balances must be paid prior to draw down of funds, even if the student/parent signed a credit balance authorization in the past. The use of credit balance authorization forms is prohibited.

The Records First requirement also means that institutions on HCM1 that are participating in the Direct Loan (“DL”) program will have their Current Funding Level reduced to the greater of Net Approved and Posted Disbursements (“NAPD”) or Net Draws (processed payments less all refunds, returns, offsets, and drawdown adjustments). In the event of returning to Advanced Funded status, W-SON will be expected to continue processing DL awards as Records First until the next DL global funding increase is processed.

3. While W-SON is on HCM1, its auditor must express an opinion on W-SON’s compliance with HCM1 in the annual compliance audit. The auditor must specifically provide an opinion on W-SON’s ability to implement its administration of the payment method used to receive and disburse program funds.
4. Notwithstanding the current placement of W-SON on HCM1, the Department reserves the right to move W-SON to another method of payment.

In the event of a conflict between the terms of the TPPPA and this Addendum, this Addendum shall govern.
